

VOLUNTEER OF THE MONTH

Don has been a part of our volunteer program since October 2015. From the beginning, Don has been dedicated to learning the best ways to work with the animals and willing to help WHS staff in any way that he possibly can! Don is constantly helping with the many WHS events that we host. He has also been extraordinarily helpful with the WHS Story Tails Reading Program, and even managed the program for two weeks while Claire was away on vacation.

Before most of his walking shifts, Don takes the time to make sure the treat buckets are filled and ready for adopters for the day. In addition, he turns the walk signs over so that his fellow volunteers know which dogs are still in need of walks to ensure that WHS' animals get outside that day.

Not only is Don extremely helpful, but he has a very sweet disposition with all of the animals at the shelter and is never short on giving a friendly smile and a wave to the WHS staff. It is clear to all of us at WHS that Don's main goal is to raise awareness of animal welfare and WHS, and to keep the animals happy and enriched during their time in the shelter.

We are so thankful for Don and his ability to go above and beyond for our animals. We thank him for his continuous support and congratulate him on being WHS' "Volunteer of the Month"!
