

VOLUNTEER OF THE MONTH

Maryann Cruz

Maryann has been helping at WHS for over a year, and ever since she started volunteering, she has been a crucial part of getting things done at the front desk on Mondays! Maryann assists the front desk staff with hospital check-ins, phone calls, messages and much more! Maryann is always willing to help and has wonderful customer service skills, and it is very apparent when you see her at the front desk!

Additionally, Maryann helps us with cat care and general duties when she can. She also attends a lot of events (with her adorable dog!) to show even more support to WHS. It is clear that Maryann is a selfless animal lover, and we are lucky to have her!

The ladies at the front desk and everyone here at WHS appreciate her on-going support so much! We know we can rely on Maryann to help almost every Monday, which is amazing! Thank you, Maryann.

You are invaluable to the WHS team.
