

VOLUNTEER OF THE MONTH

thank
you!

Goldie Cohen

Goldie has been a volunteer with WHS since August 2015 and has been assisting in so many important ways since. Shawn, the Development Manager, described Goldie as 'jumping in feet first and helping with just about everything!'. That really is true - Goldie started helping with office duties, cat handling and events and volunteered her time to help in just about any way that she could.

Goldie has been playing an essential role in the assistance of events and office tasks for our Development Department. Goldie has attended many events, she's also gone around town sharing flyers with businesses and she spends time doing tedious and time-consuming tasks that are essential for the organization of the office.

Thank you, Goldie. Everyone in the office has gotten to know you so well and enjoys your company very much each week!

We are so grateful to have you on our team.
