

# VOLUNTEER OF THE MONTH

thank  
you!

## Mike Moore

Mike Moore has been an essential part of the volunteer team for over eight years! While he initially helped with other things, he quickly became a fundamental part of the adoptions staff, once they realized his talent with animal adoptions! With Saturdays being our busiest day for adoptions, the support that we receive from Mike has directly helped our life saving efforts.

We would not be able to get as many animals out of the door and to their forever homes without Mike. One of our Adoption Counselors, Heather, said "Mike is such a trooper, he kept it a secret that he was allergic to cats until a few years ago, but has continued to help with cat adoptions anyway!"

Additionally, Mike has been very helpful with events, from handling dogs to processing adoptions at events, Mike is willing to help us in any way he can. He is also going to train other volunteers in adoptions, so that more people can help in the way that he has been helping for so long.

Thanks so much, Mike. We are so grateful to have you on our team,  
and we are sure the animals are, too!
