# VOLUNTEER OF THE MONTH

---

Maureen has been volunteering with Women's Humane Society for over three years and has consistently come in to walk and spend time with our dogs and provide support with general duties and administrative work as needed.

Maureen is always open to doing raffles and greeting people at events, and she signs up for any event for which she is available. Our development staff were so grateful for her work in preparing for Bingo Night on Cinco de Mayo.

Maureen is flexible, helpful, and cheerful. She's a pleasure to be around and a crucial part of Women's Humane Society.

---

**Thank you so much, Maureen, for your unwavering commitment to Women's Humane Society and for being such a positive force at the shelter. We are so lucky to have you!**
