

VOLUNTEER OF THE MONTH

Karen Kaczorek!

Karen has been helping walk our dogs every other Wednesday evening for years. She's willing to step-up and help with any new task we ask of our dog walkers – including learning all of the information and processes involved in the adoption process as well

helping with events – handling dogs, speaking with the public and providing support to our staff in whatever way she can.

Karen is consistent, reliable, and eager, and WHS and its dogs are very grateful for her time with us.

Thank you, Karen!

for all that you do for Women's Humane Society and its mission.
