

WOMEN'S HUMANE SOCIETY VOLUNTEER OF THE MONTH

GARY SAMUELS

Gary has been volunteering with us for over a year, and while we know we can count on him to pitch in wherever he is needed – whether that's serving as “bartender” at the Trivia Pawty or helping our adoption counselors with dog meets – we know he's happiest out in the yard with the dogs.

He even brings home cooked treats (mostly burgers, though he has been known to treat them to steaks, as well). Even with four dogs of his own, Gary spends at least two days a week here visiting our pups, and often works with the most challenging canines to get them better prepared for their forever homes. He always comes with a smile on his face, and his positive attitude and energy make Women's Humane Society an easy place to be.

THANK YOU, GARY!

for all that you do for Women's Humane!
We're so grateful to have you on board.
