

## **WOMEN'S HUMANE SOCIETY VOLUNTEER OF THE MONTH**

# **GINNY CHILDS**

Ginny has been volunteering with Women's Humane Society since 2010 and has been regularly coming in every week for that whole time. She is the savior of the development team, regularly helping with mailings, event preparation, and other miscellaneous projects. She's been known to set a timer on her phone so she can get our laundry under control in between batches of mailings, and she does it all with a smile.

Staff looks forward to having her quick wit and easy-going attitude around on Fridays; we know we're in for positive vibes, great T.V. references, and fun conversations.

Ginny – we could not do what we do without people like you, and we are so grateful to have you on board.

## **THANK YOU, GINNY!**
