

**WOMEN'S HUMANE SOCIETY
VOLUNTEER OF THE MONTH**

BETSY RALEY

Betsy has been volunteering with us for almost two years and in that time has proven herself to be exceptionally generous, kind, and eager to learn. She attends the shelter all-stars class every week and takes those lessons out into the yard with our dogs. When she's done walking dogs and socializing with our cats, she usually stops by the front desk and development team to see if there are any other projects she can help with. All of our staff know they can count on her giving spirit when we have more work than we know what to do with.

When we offer trainings for new ways to get involved, be it through adoptions processing or learning photography and bio-writing, you can bet that Betsy will be there. She is always on the lookout for ways to help, things to bring in, or new ideas to try out. We're so grateful to have her on our team!

THANK YOU, BETSY!
