

**WOMEN'S HUMANE SOCIETY
VOLUNTEER OF THE MONTH**

PATTY SCHROLLER

Patty has been volunteering with us for almost a year now, and in that time has proven to be the quite the little worker bee. When I go past the laundry room and see that we're basically caught up, I can guess that Patty has been here and getting things done.

While many of our volunteers come here and do amazing work with the animals, what we love about Patty is she comes here and does the unglamorous work that keeps this place running. If you have noticed our garage looking better and better each week, you can thank Patty for that.

She has dubbed herself "Crazy Patty," but we're all crazy for her vibrant attitude, hard work, and the special spot she has in her heart for our bunnies.

Patty – thank you so much for all of your help, and your commitment to this organization. It would be a less joyful place without you.

THANK YOU, PATTY!
