

WOMEN'S ANIMAL CENTER

Volunteer of the Month

MARIA NICCOLETTI

Maria has been volunteering with Women's Animal Center for about a year and a half, and in that time has proven to be a dedicated dog walking volunteer. In addition to taking dogs out to spend time with

them in the yards, Maria attends our Shelter All-Stars class with Lindsay almost every week and then works on behavior modification with some of our more special cases. She is among the first people we ask to start working with some of our more timid dogs because her calm presence, her patience, and her ability to follow structured training plans add so much to the lives of our resident dogs.

Beyond her dedication to our dogs, she is also just an easy person to spend time with, and our staff is grateful for her input and assistance in the kennels.

THANK YOU, MARIA!

We're so thankful you're a part of our team!
