WAC REDEDICATES BUILDING ON 25th ANNIVERSARY

On Thursday, June 27th, Women's Animal Center and the Bensalem Community celebrated 25 years at Richlieu Road serving Bucks County residents and their animals. A ribbon-cutting ceremony, congratulatory

speeches and refreshments marked the occasion. Special thanks to Mayor Joseph DiGirolamo, Bensalem Council President Joe Knowles and Vice President Ed Kisselback, PA State Rep. Gene DiGirolamo, Senator Robert "Tommy" Tomlinson, and all of our supporters who made this a special celebration. 🐾

SAFETY REMINDER TO ALL STAFF AND VOLUNTEERS

If you are injured when you are at WAC, please notify a Manager on Duty *immediately*.

The list of managers is located throughout the building.

Your safety is very important and we thank you for your cooperation.

VOLUNTEER OF THE MONTH—KAREN JACKAWAY

Karen started with Women's Animal Center in December of 2017, and even though her initial intent was to work with dogs, most of her time here has been spent cleaning, sanitizing and filling Kongs and giving every dog on the adoption floor a treat. She comes in early on Saturday mornings, and with laser focus, she works her way through the cleaning, sanitizing, filling and freezing of the Kongs. Recently, Karen has added dog walking to her routine, and we know the dogs will benefit from her commitment and care.

Thank you Karen for all you do for Women's Animal Center!
